## Job Advert

The School of Education at the University of Strathclyde is vibrant and ambitious with a strong reputation for excellence in research and teaching, and an impressive knowledge exchange portfolio. As sector lead in the development of innovation in Teacher Education we also host the Scottish Centre for Languages in Teaching and the Confucius Institute for Schools.

We are looking to recruit a Strategic School Operations Manager who, as a member of the School Leadership Team, will undertake a leading role with regard to operational activities in the development and delivery of the School's Vision and Strategic Plans in alignment with School, Faculty and University objectives to ensure excellence in teaching and student experience; research; and knowledge exchange, administration services; information technology, information systems; and health & safety. A key aspect of this role will be the development of policy and procedures to meet short term operational and service targets, and the creation of a longer-term vision and strategy for delivering operational excellence and efficiency.

The post holder will be closely involved in the delivery of the School's operations as well as participating in wider Faculty and University initiatives that are of strategic operational importance. You will advise and support the Head of School on annual and longer term budget planning for operational and wider strategic activities. A key aspect of the role will involve working with the Head of School to lead the cultural and operational change required to successfully deliver new income generating activities.

To be considered for the role you will be educated to a minimum of Degree level in a relevant subject, or have significant equivalent experience. You will have managerial experience at a senior level in HE, experience of successful project management and of leading and managing a varied team. You will have a strong track record of successfully overseeing the planning process for large and complex budgets and resources and have experience of developing short and long-term strategic plans in alignment with wider organisational targets and objectives. You will have excellent written and verbal communication skills, and an ability to interact with a range of stakeholders; strong organisational skills with the ability to delegate effectively, and a proven ability to lead, to manage change where required, inspire confidence, encourage a team-based approach, and build effective working relationships with academic, research, and administrative staff.

## Job Description

### Brief Outline of Job:

The Strategic Operations Manager will develop strategic recommendations for the senior management team to improve teaching, research and knowledge exchange activities as well as administration services; information technology, information systems; and health & safety. The post holder will support effective governance and the delivery of operational excellence and continuous improvement.

An essential element of the role will be to have oversight of the activities in the School and their position within the Faculty, University and with external partners, in order to support the Head of School and the School Management Team. Areas of particular importance include research, teaching, knowledge exchange, internationalisation and new and innovative activities and their associated implications in terms of student and staff recruitment, retention and development as well as securing and

enhancing the School's position in terms of reputation, income and outputs. Leading the School Administration Team is a key responsibility of this post.

### Main Activities/Responsibilities:

1.	As a member of the School Management Team, work with the Head of School in leading the development and delivery of the Vision and Strategic Plans, in alignment with School, Faculty and University objectives to ensure excellence in teaching and student experience; research, knowledge exchange, internationalisation and new income generating activities. To assist the HoS in the operational activities of the School and to provide a continuous presence covering all areas of operation.
2.	Advise and support the Head of School on annual and longer term budget planning for operational and wider strategic activities. Oversee business planning activities, including the preparation, development and monitoring of associated budgets, and develop business cases for strategic projects and investments
3.	Lead the administration and course management teams to deliver excellence in student experience across all levels. This will involve working with the team of academics and administrators who support this activity. Line management of the administrative team is also required.
4.	Develop and deliver strategic recommendations for the improved quality of the student learning experience in the School at all levels. Coordinate on going activity in marketing and outreach, developing an effective system to manage, optimise and evaluate these activities.
5.	Provide clear and timely professional advice and support to the Head of School to ensure effective governance, planning and strategy development within the areas of student experience, innovation and impact, research and global engagement. This includes being lead liaison for the annual planning process, analysing relevant information, modelling options and reporting on the potential financial and operational impact.
6.	Enhance and maximise service provision through evaluation of present position and identification of approaches to consistently maximise and enhance service levels. Develop KPI's and set performance measurement criteria to assess impact and direct evidence based approach to future priorities. Collection of evidence of School performance and appropriate dissemination will be a key activity.
7.	Lead on strategic projects within the School as required, manage appropriate resources to ensure project delivery, analyse and interpret data, identifying difficulties, sourcing additional related information where appropriate, and recommending or taking appropriate remedial action within delegated responsibility, reporting to management through briefings and/or formal reports.
8.	In consultation with the Head of School and other members of the School Management Team, identify opportunities for new initiatives in the School and support or manage their implementation. Contribute to new initiatives at Faculty and University level to secure improvements to policy and practice, delivering against organisational priorities and for the long-term benefit of the School.
9.	Represent the School at senior level including Faculty/University and external bodies.
10.	Additional School specific duties which may include: <ul style="list-style-type: none"> <li>• Providing support in the preparation for REF, including preparing impact cases and collecting statistical information.</li> <li>• Leadership on internal and external review processes such as Faculty quinquennial reviews, Athena SWAN award, GTCS accreditation etc.</li> </ul>

## Equality and Diversity

We value diversity and welcome applications from all sections of the community.

The University currently holds a Bronze Athena SWAN award, recognising our commitment to advancing women's careers in science, technology, engineering, maths and medicine (STEMM) employment in academia.

# Conditions of Employment

## Administrative and Professional Services Staff Grades 6 and above

### 1. GENERAL CONDITIONS

Members of staff are subject to the Charter and Statutes and the Ordinances and Regulations of the University, published in the Calendar, and to any amendments or additions thereto approved by the University Court and, in the case of the Charter and Statutes, the Privy Council. Staff are also expected to familiarise themselves with, and adhere to, general University policies and procedures, as published on University web pages.

The University Court recognises Strathclyde University and College Union (SUCU) as the sole body with which it will negotiate and consult on all collective issues concerned with the terms and conditions of employment of Administrative and Professional Services staff in Grades 6 and above. Such terms and conditions may be varied by the University Court after negotiation and consultation with SUCU.

Each member of staff is responsible for the proper performance of allocated duties to the person or persons specified in the member of staff's letter of appointment and any accompanying papers.

The University is committed to ensuring that its business is conducted in an open and transparent manner and will take all appropriate steps to address risks of bribery or corruption. Members of staff are required at all times to act honestly and with integrity and to safeguard the resources for which they are responsible. The University has in place a robust Public Interest Disclosure (Whistleblowing) Policy to enable concerns to be brought to its attention. This is available at [www.strath.ac.uk/publicinterestdisclosure](http://www.strath.ac.uk/publicinterestdisclosure). Other relevant policies, e.g. Fraud Prevention and Conflicts of Interests, can also be found on the University's website.

Any member of staff may at any time be exposed to commercially sensitive information, information related to potentially valuable intellectual property or information which may otherwise be of a confidential nature. This information, which could be found anywhere in the University, may be written or disclosed orally, can include information of a commercial or technical nature, and may be owned by the University or by third parties. The University requires all employees to keep any such information confidential in the first instance and not disclose, publish or otherwise disseminate it without prior consent of the University. Such confidentiality obligations are commonplace and in the commercial interests of the University. When in doubt advice should always be sought from Research and Knowledge Exchange Services prior to disclosure.

The University operates probationary periods for new staff, the duration of which will be specified in individual letters of appointment. The normal probation period for posts in this staff category is 9 months for those at grades 6 and 7, and 12 months for grades 8 and above. Further guidance on probationary procedures is published at [www.strath.ac.uk/hr](http://www.strath.ac.uk/hr).

Further information on the terms and conditions specified in this document and other staffing policies and procedures can also be found at [www.strath.ac.uk/hr](http://www.strath.ac.uk/hr).

### 2. SALARY

Appointments are made at an appropriate salary point on the University's grading structure, with initial placing determined according to qualifications and experience. Increments are paid to staff on 1 April each year, when the employee has a minimum of 6 full months of service at the appointed grade, allowing progression to the next point on the salary scale until the top guaranteed point of the scale is reached.

Arrangements in relation to overtime, additional hours, non-standards and on-call working are published at [www.strath.ac.uk/staff/policies/hr](http://www.strath.ac.uk/staff/policies/hr)

Salaries are paid directly to staff members nominated bank account, normally on the second last working day of the month.

### 3. HOURS OF WORK

The normal working week is 35 hours. Unless otherwise indicated in an individual's letter of appointment, the normal hours are 9.00am to 5.00pm Monday to Friday with a one hour lunch break. Certain members of staff may be required to work some hours outwith this normal pattern and this should be agreed locally.

Overtime rates do not apply to staff grades 6 and above. Where a Head of Department/School/equivalent requests additional work, above the standard working week to meet the particular requirements of the Department, equivalent time off in lieu may be granted by prior agreement.

### 4. HOLIDAYS

Annual leave entitlement is 31 days per year to be taken by agreement with the line manager. For staff members working on a part-time basis, holidays will be calculated on a pro-rata basis.

In addition to annual leave there is an entitlement to eleven public holidays per year which should be taken on days that the University is closed for this purpose. The University presently closes for four additional days over the Christmas and New Year period. **These additional days count against the annual leave entitlement.**

For staff members working on a part-time basis, public holiday entitlement will be calculated on a pro-rata basis.

Annual leave and public holiday entitlements should be taken in the leave year to which they relate. Up to five days leave can be carried forward into the new leave year subject to line management agreement. In exceptional circumstances, Heads of Department/School/equivalent may approve carry forward of accrued annual leave in excess of five days.

The University's expectation is that staff take all accrued holidays prior to their termination date. If staff have exceeded their entitlement the University will deduct an equivalent number of days pay from final salary payments.

## 5. SICKNESS ABSENCE

During any period of absence through illness or injury provided the appropriate notification and certification procedures have been followed the University will pay a member of staff (having taken account of the aggregate of all periods of absence due to illness during the twelve months immediately preceding the first day of the current absence) as follows:

<b>Period of Continuous Employment at start of absence from work</b>	<b>Full Pay</b>	<b>Half Pay</b>
Less than 1 year	1 month	1 month
1 year but less than 2 years	2 months	2 months
2 years but less than 3 years	4 months	4 months
3 years but less than 5 years	5 months	5 months
5 years or more	6 months	6 months

In order to manage the University's sick pay scheme the University requires to maintain sickness absence records on individual members of staff. When making payments after the expiry of statutory sick pay the University will deduct an amount equivalent to any benefit normally payable by the Department of Work and Pensions. For full details on the general University policy in this area please refer to the Sickness Absence Management Policy at [www.strath.ac.uk/staff/policies/hr](http://www.strath.ac.uk/staff/policies/hr).

## 6. PENSIONS

New members of staff, aged under 75, will be admitted automatically to membership of the Universities Superannuation Scheme (USS) on taking up appointment. If you are already in receipt of a USS pension you will join USS in accordance with pension auto-enrolment regulations. USS requires a contribution from the member, currently 8 per cent of pensionable salary. A contribution, currently 18 per cent of pensionable salary, is paid by the University. From 1 April 2016 all members are part of the career revalued benefits scheme called the USS Retirement Income Builder. From 1 October 2016 a threshold, initially of £55,000 a year, will apply to the maximum salary that counts towards the USS Retirement Income Builder. From the same date a new defined contribution section of the scheme called USS Investment Builder will open and any contributions above the threshold will be invested in this section. The exception to automatic membership of the pension scheme applies if your post is located out with the UK in an EU member state. If this is the case membership of USS is not available to you.

New members of staff may opt out of USS within three months of taking up appointment and will then be treated as if they had never been a member of the scheme. After three months members of staff who wish to withdraw from USS during their employment will be required to give a minimum of 28 days' notice in writing to the University. Any member of staff who wishes to opt out should contact the Pensions Section, Finance, in the first instance ([pensions@strath.ac.uk](mailto:pensions@strath.ac.uk)). Please note that if you are a member of Pensions Plus and withdraw from USS with less than two years of membership, or cease employment with the University and have less than two years of USS membership, the option of a refund of pension contributions will not be available to you. Instead, USS must provide you with a pension benefit that is payable from your retirement date.

The University reserves the right to alter or withdraw Pensions Plus as it sees fit or as required to comply with legislative changes. Withdrawal or amendment of Pensions Plus will not affect your membership of USS. If you do not wish to participate in Pensions Plus but wish to remain in the pension scheme please contact the Pensions Team who will provide you with a non-participation form.

Information regarding pension scheme membership can be found on the Pensions pages of the University's website. Full information regarding USS can be found on the USS website – [www.uss.co.uk](http://www.uss.co.uk)

## 7. PLACE OF WORK AND RESIDENCE

Members of staff will be based on the John Anderson Campus, unless otherwise stated in the letter of appointment. The Department/School in which the post is initially placed will be specified in the letter of appointment although there will be an expectation to work at such other places as required in the course of employment.

If the need arises for members of staff to work outside the UK for a period (or periods) of more than one month then such arrangements will be subject to mutual agreement. Members of staff would then be provided with a statement in advance setting out the terms covering such periods of employment.

The University does not normally place specific restrictions upon the place of residence of members of staff. All staff are, however, expected to reside in a location which is compatible with the satisfactory fulfilment of all the duties associated with their appointment.

## 8. CONSULTANCY/FURTHER ACTIVITIES

To support the strategic objectives of the University and to facilitate individual professional development, the University encourages staff to engage in professional activities with outside bodies related to their field of work. In many cases, such activity will be approved on the basis that it represents University knowledge exchange activity and should therefore be treated as part of the individual's overall workload and managed through the University's systems. It is also recognised that there will be some cases where an activity is entirely separate from the University and should thus be notified/approved as a personal business activity. For further information please refer to the "University Procedure in relation to Work for Outside Bodies including Consultancies", which forms part of the employment contract and can be accessed at [www.strath.ac.uk/hr](http://www.strath.ac.uk/hr)

## 9. DISCIPLINARY AND GRIEVANCE PROCEDURES

Further information on the University's disciplinary and grievance procedure can also be found at [www.strath.ac.uk/policies/hr](http://www.strath.ac.uk/policies/hr) or on request from Human Resources.

## 10. NOTICE AND TERMINATION

The employment of a member of staff is terminable by at least three months in writing, on either side; except during probationary period when the notice period is one month. If notice is being given by a member of staff earlier release may be granted if this can be arranged without detriment to the work of the department or area. If the appointment is for a fixed term it will expire at the end of the period without the necessity for notice. Fixed term contracts may be terminated by either party short of the expiry date by the serving of one month's notice in writing. The University is not obliged to continue a fixed term appointment beyond the employment period. For employees appointed above Grade 10, the notice period for both the employer and employee will be 6 months, except during the probationary period when a one month's notice period will apply. One month's notice will also apply for fixed term contracts terminated short of the expiry date.
